Research Policy

Panel Hwithrans

1. The Panel

The Research panel shall sit alongside the Terminology, Dictionary and Signage panels of Akademi Kernewek.

2. Function

The panel shall carry out linguistic research for and on behalf of the Akademi, initiated both internally and externally from other panels and from other bodies. Priority is to be given to requests from the Akademi itself and from Cornwall Council.

3. Personnel

The Panel shall comprise a Chair(man) together with a working group which works largely through e-mail. It shall have the power to invite advice and information from experts from without the panel, including those in Exeter University and others.

4. Methodology

The panel shall recognise its responsibility to conduct research of a high ethical standard. Researchers will:

- i. strive for excellence when conducting research and aim to produce and disseminate work of the highest quality;
- ii. be honest in relation to their own research and that of others. They should do their utmost to ensure the accuracy of data and results;
- iii. will promote the open exchange of ideas, research methods, data and results.

5. Reporting

The panel will supply reports of its work to the Akademi prior to each meeting of that body. It will also produce an annual report for the Akademi.

The report will include a summary of any recommendations made to the other panels.

The panel will produce a work plan, to be updated regularly, to demonstrate the progress made and future work.
