Annual Report 2022-23

## OVERVIEW

### Organisation type

CIO - FOUNDATION Registered 27 Nov 2019

### Charity Number

1186610

### Charitable objects

TO ADVANCE THE EDUCATION OF THE PUBLIC IN THE CORNISH LANGUAGE BY:

- A) DEVELOPING UNDERSTANDING OF CORNISH LANGUAGE VOCABULARY, GRAMMAR AND PLACE NAMES.
- B) DEVELOPING THE COLLECTIVE KNOWLEDGE AND UNDERSTANDING OF THE CORNISH LANGUAGE AND MAKING THIS KNOWLEDGE PUBLICLY ACCESSIBLE FOR USE BY SCHOOLS, PRE-SCHOOLS, ADULT EDUCATION CLASSES, EDUCATIONAL ESTABLISHMENTS, RESEARCH ORGANISATIONS, AND ANYONE WITH AN INTEREST IN, OR IN LEARNING, THE CORNISH LANGUAGE.

### How we have met that purpose

The Akademi Kernewek and its four Panels have met regularly through 2022/23 to develop its research work in support of development of the online Cornish dictionary and the Cornish place name database. The Akademi has focussed this year on improving the quality of data and consolidating resources. The Akademi further developed the Cornish dictionary app so that it is now available on Apple as well as Android devices, and further expanded information available in the Cornish place-name database. These tools both make the Cornish language more accessible and the Akademi Kernewek place name website is linked to teaching resources for primary schools to learn Cornish language. The Akademi is continuously reviewing how to coordinate Cornish language research, make the results of that research publicly accessible and how to develop effective new tools to enable more use of Cornish. The schedule below sets out the detailed achievements of the Akademi Kernewek in 2022/23.

### Governance

The Akademi Kernewek is a Charitable Incorporated Organisation (CIO) that is managed by a Board of Trustees who meet every two months. Four Panels (working groups), each with their own specialist function, meet more regularly and report their research work to the Board for approval. All work of the Akademi and minutes of meetings are published on the Akademi Kernewek website:

[Akademikernewek.org.uk](http://Akademikernewek.org.uk)

### Finance and administration

The research work of the Akademi Kernewek is done entirely by volunteers with the Cornish Language Office providing in-kind administrative support and contributing to project development:

### Summary of Support 2022/23

Item	Cost
Dictionary database (inputting and editing), development of corpus search and first phase development of language tech (spellchecker, thesaurus, verb conjugator)	£2,500
Bangor University dictionary development – website upgrades, Apple version of dictionary app.	£1,000.00
Total	£3,500.00

The Akademi Kernewek has no bank account and no assets other than intellectual property in its databases. The Akademi Kernewek will explore options for grant funding in 2023/4 and will open its own bank account if it secures funding with appropriate financial controls to be put in place.

## AKADEMI KERNEWEK – ANNUAL REPORT 2022-2023 – Schedule of work completed.

AKADEMI KERNEWEK ANNUAL REPORT 22-23
